

Dr. KRITIKA M GARG, Ph.D.

Assistant Professor, Department of Biological Sciences,
Indian Institute of Science Education and Research Mohali

Email: kritikamgarg@iisermohali.ac.in and kritika.m.garg@gmail.com

Ph: +91-7019994024 ORCID ID: <https://orcid.org/0000-0003-3510-3408>

PROFESSIONAL BACKGROUND AND EDUCATION

April 2025–Present	Indian Institute of Science Education and Research Mohali, India Assistant Professor, Department of Biological Sciences Research area: Molecular Ecology and ancient DNA
Feb 2021–April 2025	Ashoka University, Sonipat, India Faculty Fellow, Ramalingaswami Fellow, Centre for Interdisciplinary Archaeological Research and Department of Biology Research area: Sexual selection and ancient DNA
Aug 2020–Jan 2021	Institute of Bioinformatics and Applied Biotechnology, Bangalore, India Ramanujan Fellow Research area: Speciation genomics
Dec 2014–Sept 2019	National University of Singapore, Singapore Research fellow, Department of Biological Sciences Research areas: Population genomics, Phylogenomics, Biogeography, and Speciation
Aug 2008–Aug 2014	National Centre for Biological Sciences, Tata Institute of Fundamental Research, Bangalore, India Ph.D., Biology, Advisor: Prof. Uma Ramakrishnan Thesis: Mating games: lessons from harem-forming fruit bat, <i>Cynopterus sphinx</i>
June 2006–April 2008	Madurai Kamaraj University, Madurai, India M.Sc. Genomics. <u>Gold medalist</u>
June 2003–April 2006	Bangalore University, Bangalore, India B.Sc. Biochemistry, Genetics, Biotechnology. <u>Gold medalist</u>

RESEARCH FUNDING

Active

Title: Sexual selection in birds: a genomic perspective

Funding agency: Department of Biotechnology, India

Role: PI

Grant period: 2022–2026

Title: Exaggerated male traits: understanding the genomics basis of sexual dimorphism in pheasants

Funding agency: Ramalingaswami fellowship, Department of Biotechnology, India

Role: PI

Grant period: 2021–2026

Title: Impact of climate change on small mammal communities and risks of spillover infections

Funding agency: Centre for Climate Change and Sustainability, Ashoka University.

Role: Co-PI

Grant period: 2022–2023

Previous

Title: Understanding speciation through the lens of genomics of reproductive isolation

Funding agency: Ramanujan Fellowship, Department of Science and Technology.

Role: PI

Grant period: 2020–2025 (Declined in 2021 to switch to Ramalingaswami Fellowship)

AWARDS/ACHIEVEMENTS

- Society for the Study of Evolution Travel Award, 2013.
- Best poster award along with travel award National Centre for Biological Sciences, 2013.
- Travel award to attend 12th International Society for Behavioral Ecology, 2012.
- Best student award from National Centre for Biological Sciences, 2009.
- 'Maveeran Sundaralingam Endowment Scholarship' for having secured the highest marks in M.Sc., 2008.
- First in Bangalore University B.Sc. Vocational Sciences, 2007.
- Scholarship by the Chairman of the Jain Group of Institutes for B.Sc.
- All India Rank 253 in Graduate Aptitude Test in Engineering (GATE), 2007.
- Best Student Award from Sri Bhagawan Mahaveer Jain College, 2007.
- Certificate for the Academic Excellence from Sri Bhagawan Mahaveer Jain College, 2006.
